

## Employment Opportunity: HVAC/R Instructor

- Do you love the HVAC/R field and would like to pass your skills on?
- Would you like to work less hours, have paid vacation, with 14 paid holidays a year?
- Are you the person who trains apprentices on the job?
- Would you love to be part of a team of trade workers who are excited about training people to be successful in your field?

MTTI Technical Training School is currently looking to hire and train an instructor to guide students in our **HVAC/R Program**. We currently have a full-time day position, Monday through Friday that we are looking to fill. The program is conducted at our satellite campus located at 78 Leavitt Street, Seekonk, MA 02771.

Our small school environment offers you the opportunity to be part of a team that is helping people change their lives. **Even if you have no teaching experience, if you think you would enjoy offering your skills and experience to newcomers to the field, this might be the perfect opportunity for you!** We will train you to teach and assist students in the shop.

### *Things to consider:*

- Do you have a long commute and want a more structured work schedule and location?
- If you have at least 5 years' experience working in the industry, patience, desire to help people, the ability to motivate, inspire and encourage - we would like to talk to you about joining our team.
- Would you like to have an impact on someone else's life? Teaching is a very rewarding experience.

If you are interested in learning more about the position or to apply, please contact **Jen Morin** at **508-336-6611** or email [jmorin@mtti.edu](mailto:jmorin@mtti.edu)
