

SNOW DAY

Policy

- ★ Check MTTI's Website or Facebook page for closing notifications. These are typically the first to go up: MTTI.edu & Facebook.com/mtti.edu
- ★ Check Channel 10 and 12 for MTTI Closings and Delays. **You can sign up for alerts to your phone from their website: TurnTo10.com / WPRI.com*
- ★ If the town where a student lives is cancelled due to weather, this will be considered a documented absence (similar to a doctor's note). MTTI requires documentation stating your town's school is closed due to weather. **Remote learning days DO NOT COUNT.* If your town is closed but MTTI is open and you feel it is safe enough to drive, you can attend school.
- ★ If there is a delay or closing for the day programs, this does not necessarily effect the evening and vice versa. We will make separate day/evening announcements as needed.
- ★ If the weather is questionable, please make sure you double check either our website or Facebook right before you leave home. We try to put notice up as early as possible but conditions may change last-minute.
- ★ **All vehicles have to be removed from the property for plowing. Cars left in the parking lot could be towed.**
